Copy of letter from M.R.Ry., Rao Bahadur S. Bhaskara Ayyar Avergal., B.A., Superintending Engineer, Madras Circle, No. 2457-G/62-M., dated 8th November 1927 to the Chief Engineer, Public Works Department, General, Buildings and Roads, Madras :--

The five major works noted in the margin are under execution in Bellary Town during the current year and a grant of nearly Rs. 2½ lakhs have to be spent on these works before March 1928.

Name of works.	Grant for 1927-28
1. Constructing Municipal High School at Bellary ...	25,800
2. Constructing Nurses Quarters, Bellary.	15,000
3. Improvements to Alipuram Jail, Bellary.	1 00,000
4. Constructing Tuberculosis Jail, Bellary.	60,250
5. Improvements to Alipuram Jail Water Supply, Bellary. ...	17,300
	Rs. 2,40,350

Owing to the execution of these works in addition to the other works (minor works and repairs) of the section, the clerical work of the section which has also been proportionately increased cannot be attended to by the Supervisor in charge satisfactorily without detriment to his executive work. The work has been managed with great difficulty so far and the services of a section clerk are absolutely necessary immediately so that the correspondence and accounts of the section may be maintained in order. There will be more than 5 hours of clerical work at present to be attended to and work will be heavier towards the close of the official year.

I

I therefore request in the circumstances stated above, that you will be good enough to obtain the sanction of Government for the entertainment of a section clerk for the Bellary Town Works Section at a very early date.
